## *storage*

Our premises and in-house vault facilities are state of the art controlled and can relieve your concerns and the associated risks regarding holding large amounts of cash or valuables on your premises.

## *management*

Secutor specialises in venue cash management (e.g. sporting - concert & hospitality events) with the cash supply - float preparation - reconciliation with detailed reporting - banking - delivery and collection services. These services will alleviate the time consuming and costly exercise of performing these tasks internally plus the added advantage of removing all cash from your premises when not required and the associated security risks.

## *transportation*

Secutor offers two forms of cash transportation:

The conventional "ARMOURED VEHICLE" for large consignments with a high profile accompanied with an armed uniformed crew.

A "DISCREET" service performed by plain clothed armed guards transporting your consignments by way of unmarked vehicles. This popular and inexpensive service is a time and cost saver to your business and minimises risks to your employees.

## *indemnity*

All transactions performed by Secutor Securities are fully and comprehensively insured - liability for all transactions is on a "signature for signature" basis.

## *solutions*

With the high emphasis placed on businesses today with Workplace Health & Safety issues we can relieve your employees from the added responsibility and risks of handling your cash & valuables 24 hours a day - 7 days a week. Secutor can offer solutions to your cash management and banking requirements with unparalleled flexibility.
